

Golf Course in North Cyprus - Playing Golf

Golf in Northern Cyprus – Golf Property North Cyprus

Playing golf in North Cyprus has become a “must do” on the European golf holiday scene.

The new Korineum Golf and Country Club, near Esentepe, North Cyprus has enhanced the reputation of Northern Cyprus and if playing golf is your “thing”, then where better place to do it?

With 18 championship holes and 3 Academy holes, there is something for everyone from the most competitive to the utter novice. You will find some of the most stunningly picturesque golf holes not bettered anywhere else in the world.

There are many and varied golf properties within an easy 3 wood of the golf course, from stunning villas to elegant penthouse apartments. All offering fantastic living, rental or investment potential.
